

MEETING ON BRT PLAN AND 61 ABC BUSES

Thursday, April 12th | 6:00pm

Rankin Christian Center: 230 3rd Avenue

Riders, drivers, and Mon Valley stakeholders have been working together to make sure the Port Authority's Bus Rapid Transit plan meets our needs. We've made the Port Authority reconsider its BRT plan -- its cuts to the 61 ABC buses and forced transfers in Oakland. Port Authority will be presenting changes to the plan based on community input at the April 12th meeting.

Come out and make sure they hear our voices loud and clear: "DON'T BUILD THE BRT ON OUR BACKS!"
